

WE'RE HERE TO HELP DURING 21 DAY LOCKDOWN

Despite most of the manufacturing businesses being closed for the 21 day shutdown, [J F Equipment](#)' services the food manufacturing industry that MUST continue to produce the food that will need to feed the nation during lockdown. The business has therefore established a team of technicians available on stand-by for any maintenance, breakdown or urgent spare part orders.

[J F Equipment](#) has obtained the necessary permits and documentation to support such food manufacturing needs and, given their industry position as far as hygiene is concerned, has ensured that ALL hygiene protocols will be stringently followed.
